## THE NEW PERFORMANCE TRIGGER

### GLOCK ANNOUNCES

After design and testing for tens of thousands of rounds and in a variety of environments the new GLOCK Performance Trigger is available now – Get yours today!

**WARNING:**  
This product must be installed by a certified GLOCK armorer.

### A NEW TRIGGER OPTION – SAFE, RELIABLE AND ELICITING HIGH PERFORMANCE

The GLOCK Performance Trigger has a smooth pull and crisp reset for fast follow-up shots. The new trigger is externally, visually identifiable by a different shaped trigger pad, or „shoe.“ This still incorporates the trigger safety that keeps a loaded GLOCK safe, even if exposed to high external forces. It is flatter in profile if viewed from the side. The firing pin safety function is retained, automatically engaging as the trigger returns forward. Finally, the drop safety, a positive mechanical connection between the trigger bar and firing pin, prevents ignition even if the pistol is dropped.

Operators with deep experience have tested the GLOCK Performance Trigger and their comments are enthusiastic. The straight trigger face provides a consistent trigger break while reducing trigger pull weight.

This product will be available as an after-market accessory to be installed by a certified GLOCK armorer.

The GLOCK Performance Trigger for a range of 9 mm Luger pistols will be available for purchase starting soon.

**For further information, please contact your GLOCK partner or the GLOCK company directly.**

„At the level of shooting I am competing at, I need a reliable, precisely controllable trigger in my GLOCK. This trigger gives me that advantage.“

**Shane Coley**  
Captain of the GLOCK Shooting Team

### TECHNICAL DATA

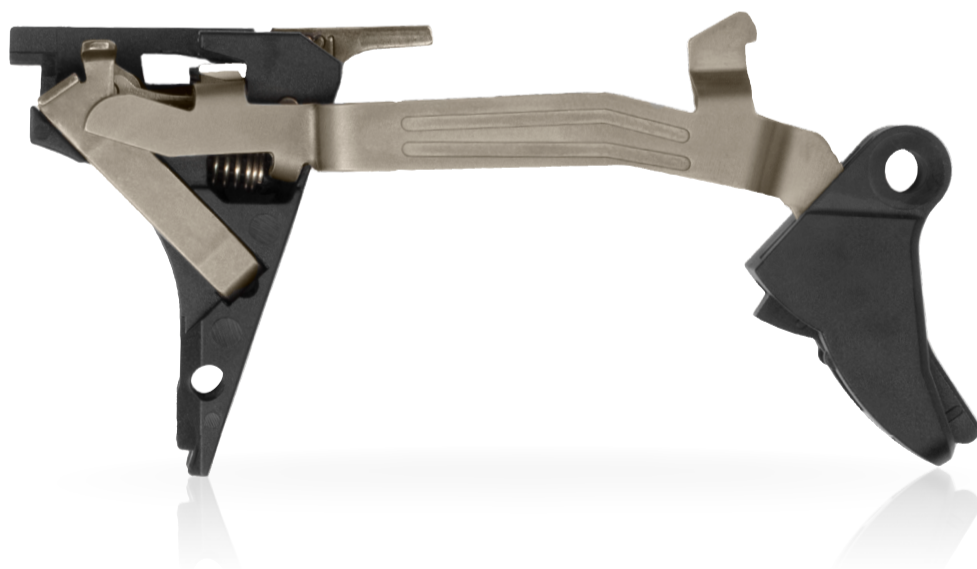

Median Trigger Weight			
GLOCK connector 2*	<b>GLOCK connector 5 – installed</b>	GLOCK connector 1*	GLOCK connector 3*
1,9 kg	<b>2,0 kg</b>	2,3 kg	3,2 kg
4.1 lbs	<b>4.5 lbs</b>	5.1 lbs	7.2 lbs

Values measured using a standard 24N firing pin spring. Values are rounded and do not reflect tolerances – they may be altered without notice.

\*Not included.
